[Email us](#) any questions.

### COFFEE CHATS
Meet with students in small groups to answer their questions about your company and your opportunities.  
[Contact Your CDO Industry Liaison](#) to schedule coffee chats.

### STUDENT CLUBS
MIT Sloan has 50 professional clubs that welcome speakers and sponsorships, and will share your educational or job opportunities with their club members.  
[Click here](#) to learn more about the clubs.  
[Email us](#) with any questions.

### COMPANY EVENTS
Schedule a virtual event to promote your company and its opportunities to MIT Sloan students.  
[Contact Your CDO Industry Liaison](#) to start planning your event.

## CONNECT WITH MIT SLOAN

### ANALYTICS CAPSTONE PROJECTS
MIT Sloan is seeking proposals from organizations across all industries to sponsor student groups for the 7-month Capstone course. Dedicated student teams enrolled in the Master of Business Analytics program will use analytical tools to solve key business challenges and present solutions.  
[Click here](#) to learn more or submit a proposal.

### ACTION LEARNING PROJECTS
Have a management challenge? Action Learning can help!  
Action Learning supports both large and small organizations in solving real business challenges. Through Action Learning, students take classroom learning into the field and provide their host organizations with actionable results.  
[Click here](#) to learn how to get involved.
