

## MARK BRADLEY

### EDUCATION

---

#### MIT SLOAN SCHOOL OF MANAGEMENT

Cambridge, MA

*Candidate for MBA, June 2018*

2016-Present

- Awarded Dean's Fellowship, a merit-based scholarship awarded to 5% of MBA students
- Organizer for the Sloan Healthcare and BioInnovations Conference: Sponsorship Team and Pitch Competition Team
- Active Member of the Healthcare, Energy and Technology Clubs

#### UNITED STATES MILITARY ACADEMY

West Point, NY

*B.S. in History, Systems Engineering Track*

2003-2007

- Distinguished Cadet Award; Top 10% in class; Dean's List all eight semesters
- President, Phi Alpha Theta History Honor Society
- Awarded the Nye Award for excellence in military affairs research based on quality of research, analysis and writing style

### EXPERIENCE

---

#### UNITED STATES ARMY SPECIAL FORCES

Ft. Campbell, KY; Afghanistan; Jordan; Lebanon

*Special Forces Company Executive Officer, Captain*

2015-2016

- Persuaded U.S. Army Special Operations leadership to increase the company budget by \$900K; increased training resources and allowed for two additional training sites during a Counter Narcotics and Terrorism mission in Lebanon.
- Developed an innovative ammunition transportation plan that resulted in a cost savings of \$1M for the U.S. government.
- Negotiated and coordinated with stakeholders in Lebanon, Qatar and the U.S. to provide logistics for ten bases in Lebanon.
- Allocated over \$1M in training resources across six teams to optimize company performance while preparing for missions.

*Special Forces Team Leader, Captain*

2013-2015

- Led a cross-functional 12-person Special Forces team deployed throughout the Middle East with minimal supervision, requiring daily high consequence decision making in ethically ambiguous situations.
- Planned security for 35 polling locations across southern Afghanistan during the 2014 Afghan National Elections which contributed to a 280% increase in voter participation in the province.
- Trained 108 Jordanian Special Forces soldiers preparing for combat with limited supervision in the Kingdom of Jordan; responsible for making initial contact, negotiating terms of the training, analyzing training needs, and compiling feedback.
- Convinced the commander of U.S. Special Forces in the Middle East to re-allocate program resources of approximately \$5M annually from Afghanistan to Jordan.
- Managed two military training sites, 14 advisors and a \$50K budget as part of a counter terrorism program in Lebanon.
- Advised three Afghan governors to solve security, health, and infrastructure problems in a limited resource environment.
- Analyzed data from multiple intelligence sources to identify and track insurgent activity in Afghanistan.

*Special Forces Candidate, Captain*

2011-2013

- Completed the two year Special Forces Qualification Course with top overall ranking out of 156 U.S. Army Green Berets.
- Led an eight-person team at the U.S. Army Survival School requiring decision-making under stressful conditions.

#### UNITED STATES ARMY INFANTRY

Oahu, HI; Iraq

*Operations Officer, Captain*

2010-2011

- Selected over 16 peers to serve on a homeland defense task force that reported directly to the highest ranked general in the Pacific region; responsible for creating and implementing new information sharing processes.
- Coordinated humanitarian relief efforts between the Departments of Defense and State during the 2011 Japanese tsunami.

*Infantry Platoon Leader and Company Executive Officer, Lieutenant*

2008-2010

- Solved all logistical problems necessary to supply and equip 135 soldiers at a remote base in northern Iraq.
- Led a 37-person team that facilitated 2009 Iraqi election, achieving the highest percentage of voters per city in the country.
- Organized a program to transition 830 Sunni militiamen to Iraqi government employment defusing sectarian tensions.

### ADDITIONAL INFORMATION

---

- Awarded the Bronze Star Medal for Valor, the nation's fourth highest award for valor in combat
- Twice awarded the Bronze Star Medal for Meritorious Service for combat leadership
- Proud father, avid science fiction reader, world traveler, and Eagle Scout

# DONALD MATEO COATES

## EDUCATION

---

### MASSACHUSETTS INSTITUTE OF TECHNOLOGY

Cambridge, MA

Leaders for Global Operations (LGO) Fellow

2018 - Present

*Candidate for MBA, MIT Sloan School of Management, May 2020*

*Candidate for SM in Mechanical Engineering, MIT School of Engineering, May 2020*

- Academic focus on product development, digital fabrication, and analytics
- Provided technical consulting to area start-ups through InSite Fellowship, a competitive leadership development program
- Executed short term projects for Defense Innovation Unit, which accelerates commercial innovation for national defense

### HARVARD UNIVERSITY

Cambridge, MA

*AB in Engineering Science, School of Engineering and Applied Sciences*

2003 - 2007

- Mechanical Engineering and Material Science Track, Honors in Field
- Took graduate level engineering and design courses at Royal Institute of Technology in Stockholm
- Not very talented member of the Harvard Sailing Team

## EXPERIENCE

---

### GENERAL MOTORS

Warren, MI

*Graduate Research Fellow, Additive Design and Manufacturing Group*

February 2019 - August 2019

- Led initiative to more fully integrate 3D printing technologies into vehicle's product development process
- Executed research for thesis focused on how digital fabrication can enable more rapid, agile-like hardware development

### NAVY CYBER WARFARE DEVELOPMENT GROUP

Washington, DC

*Chief Administration Officer & Acquisition Officer – Lieutenant Commander, US Navy*

2015 - 2018

- Executed multi-million dollar acquisition project with dozens of military and civilian direct reports, ensuring most widely deployed maritime Electronic Warfare (EW) suite had leading edge capabilities
- Identified critical faults with EW operations; led tactical training on ships and aircraft increasing system capabilities by 30%; led overhaul of the Navy's process to solicit EW capabilities from military labs and research and development teams
- Improved business functions, including compensation, legal, talent evaluation, and external leadership engagements, increasing Administrative Department output by 20%; selected to be the first military lead in organization's front office
- Earned Level 2 Certification in Engineering from Defense Acquisition University as member of Acquisition Workforce

### CRYPTOLOGIC WARFARE GROUP 6

Fort Meade, MD & Europe

*Tactical Cryptologic Warfare Officer & Battle Watch Captain – Lieutenant, US Navy*

2012 - 2015

- Coordinated Pentagon and DoD agencies' efforts while leading teams on multiple cryptologic special operations critical to national security in European theater; deployments awarded Meritorious Unit and prestigious Navy Unit Commendations
- Led a 24/7 intelligence operations center that monitored global information feeds and provided vital intelligence of adversary intentions to deployed units worldwide; coordinated national centers' daily updates to the Joint Chiefs of Staff
- Volunteered to organize and conduct over 100 hours of training to peers, leading to 24 professional qualifications
- Earned Certificate in Information Systems and Operations from Naval Postgraduate School

### AIRBORNE ELECTRONIC ATTACK

Whidbey Island, WA and Various Locations (FL, TX, MS)

*EA-6B Prowler Pilot – Ensign thru Lieutenant, US Navy*

2007 - 2012

- Served as Plane Commander on carrier-based, tactical jet aircraft with Electronic Attack mission; conducted low-level flying, formation flying, air combat and bombing training, and aircraft carrier flight operations
- Flew three separate military aircraft during training, consistently placing in top half of class rankings

## ADDITIONAL INFORMATION

---

- Current TOP SECRET/Sensitive Compartmented Information clearance
- Project Management Certificate from Georgetown University School of Continuing Studies, 2016
- Commercial Pilot License, 2010
- Enjoys all cuisine from hole-in-the-wall to haute; an amateur cook adept with a pressure cooker, not so great with knives
- Independent travel to over 50 countries with the desire to one-day 3D print my own rocket and travel to space
- Note: Mission, manpower, and budget details redacted during government required security review

## KEVIN R. FLIKE

### EDUCATION

---

#### MIT SLOAN SCHOOL OF MANAGEMENT

Cambridge, MA

*Candidate for MBA, June 2015*

2013 – Present

- Sentinels of Freedom Scholarship (\$48K); for outstanding achievements and leadership as a combat wounded veteran
- Vice President of Veteran's Relations for the MIT Sloan Veteran's Association
- Active member of the Management Consulting Club

#### UNION COLLEGE

Schenectady, NY

*B.A., Political Science, Minors in Mandarin Chinese and East Asian Studies*

2002 – 2006

- Two-time captain of football team; the only player in program history to be elected twice
- President of Theta Delta Chi fraternity; managed affairs for the organization's 72 members
- Study abroad in Tianjin, China; studied Eastern Medicine (Summer 2004)

### EXPERIENCE

---

#### U.S. ARMY, 1<sup>ST</sup> SPECIAL FORCES GROUP "GREEN BERET"

Fort Lewis, WA/Afghanistan/Thailand/Philippines

##### *Special Forces Engineer*

2009 – 2013

- Represented 1<sup>st</sup> Special Forces Group's Wounded Warriors in meetings with President Barack Obama and United States Special Operations Command Commander, Admiral William McRaven
- Awarded the Meritorious Service Medal for exceptionally selfless service during six years of U.S. Army service

##### *Operation Enduring Freedom (Kunduz, Afghanistan)*

- Synthesized information collected from various intelligence sources into an actionable plan that led to a 70% reduction of roadside bomb attacks in Kunduz Province
- Mentored, advised and led more than 400 Afghan commandos on more than 100 combat patrols and battle engagements with Taliban fighters, resulting in a 60% decrease in the number of violent attacks in Kunduz Province
- Awarded the Bronze Star Medal (two awards) for meritorious leadership in combat, the Army Commendation Medal with Valor for bravery in combat and the Purple Heart for wounds received during combat

##### *Chief of Operations - Operating Base (OB) "Prosser"*

- Supervised a 20-person Afghan local work crew responsible for the development of OB Prosser from a blueprint to its completion, housing over 300 individuals
- Forecasted and allocated a \$3M budget for the supply, logistics and maintenance of OB Prosser
- Managed and maintained equipment valued at \$10M for 14 months with zero loss of property amidst combat operations

##### *Joint Combined Exercise Training - Royal Thai Army Special Forces (Lopburi, Thailand)*

- Worked with high ranking Thai government and military officials to plan and execute the successful training of more than 100 Royal Thai Army Special Forces soldiers; resulting in their increased ability to conduct counter-terrorism operations

##### *Joint Combined Exercise Training - Filipino Army (Pagadian, Philippines)*

- Communicated with the Filipino government and military to coordinate vehicle movement and security for 35 US Army personnel and their equipment in a hostile environment, resulting in zero loss of life and property

#### U.S. ARMY JOHN F. KENNEDY SPECIAL WARFARE CENTER

Fort Bragg, NC

##### *Special Forces Candidate, Special Forces Qualification Course*

2007 – 2009

- Awarded Commandant's List (top 10%) for exceeding standards during the Special Forces Engineering Course
- Placed first in the Ironman Fitness Competition during the Basic Non-Commissioned Officer Course

### ADDITIONAL INFORMATION

---

- Language proficiency: conversational Chinese (Mandarin), limited Afghan-Dari
- Attended advanced intelligence training in behavior analysis and interviewing techniques
- Disabled combat veteran; retired from military service as a result of wounds sustained in combat action
- Aspiring author and motivational speaker; daily practitioner of yoga and meditation

## CAITLIN HANER

### EDUCATION

---

#### MIT SLOAN SCHOOL OF MANAGEMENT

Cambridge, MA

*Candidate for MBA, May 2022*

2020 - Present

- Pat Tillman Scholar (2020)
- Vice President of Sloan Defense Tech club; active member of Sloan Veterans Association and Sloan Women in Management

#### GONZAGA UNIVERSITY

Spokane, WA

*BA in History, magna cum laude*

2008 - 2012

- Reserve Officer Training Corps scholarship, distinguished military graduate (top ten percent in the nation); selected for the Cultural Understanding and Leadership Program, Baltic states (summer 2010)
- Minor in Spanish; studied abroad (summer 2011) in Cuernavaca, Mexico
- Phi Alpha Theta History Honor Society; President's or Dean's List all eight semesters

### EXPERIENCE

---

#### UNITED STATES ARMY SPECIAL OPERATIONS CIVIL AFFAIRS

Ft. Bragg, NC; Nepal; Indonesia; Vietnam

*Civil Affairs Team Leader, Captain*

2017 - 2020

- Oversaw all U.S. Special Operations activities in Nepal as the Special Operations Forces Liaison Element Leader at the U.S. Embassy in Kathmandu, a position normally filled by an officer of one to three ranks higher
- Instructed 40 Indonesian United Nations Peacekeeping Operations (UNPKO) troops on how to identify and mitigate civil vulnerabilities prior to UNPKO mission in the Democratic Republic of the Congo; requested by name out of 54 officers
- Developed and implemented engagement plan for Special Operations Command Pacific in Vietnam; resulted in building partner nation relationship and facilitating search and rescue training for 200 Vietnamese emergency responders
- Planned, coordinated, and supervised pre-deployment training three echelons above assigned scope of responsibility to prepare 50 Special Operations personnel for worldwide mission sets

*Civil Affairs Candidate, Captain*

2015 - 2017

- Graduated on Commandant's List (top three students) after 18-month Civil Affairs Qualification Course; subcomponents include Special Operations Language Training (Mandarin Chinese) and Indo-Pacific Regional Analysis
- Led peers during both coursework periods and three-week, immersive culminating exercise; established and organized the mission coordination center for the culminating exercise, which coordinated the efforts of more than 120 students

#### UNITED STATES ARMY UH-60 BLACK HAWK HELICOPTER PILOT

Ft. Carson, CO; Ft. Rucker, AL

*MEDEVAC Section Leader, Lieutenant*

2015

- Directed 26 aviation medical evacuation pilots, medics, and mechanics in only MEDEVAC unit supporting Fort Carson's 24,000 active duty personnel
- Achieved Air Mission Commander status, enabling the unit to provide MEDEVAC support to 366 ranger candidates at the U.S. Army Ranger School

*Assistant Aviation Operations Manager and Platoon Leader*

2013 - 2015

- Selected over eight peers to lead a 41-person team after placing first in battery of physical, psychological, and academic events and a panel interview; managed \$3.3M of equipment without loss or damage
- Overhauled unit safety program as company safety officer to earn highest rating during triennial safety inspection
- Managed aviation operations and training programs for seven subordinate units and full complement of equipment and personnel consisting of 33 helicopters, 87 wheeled vehicles, and over 500 soldiers

*Rotary Wing Flight School Candidate*

2012 - 2013

- Completed 14-month Initial Entry Rotary Wing course including aeromedical, instrument, and helicopter systems courses

### ADDITIONAL INFORMATION

---

- Skills: conversational Mandarin Chinese and Spanish, FAA helicopter license
- Volunteer: Service to School, a non-profit providing free university and graduate school counseling to military veterans
- Interests: Avid globetrotter (31 countries) specializing in self-guided running and craft-beer tours; dystopian and science-fiction novel fan

## MATTHEW JOHN KAPLAN

### EDUCATION

#### MIT SLOAN SCHOOL OF MANAGEMENT

Cambridge, MA

*Candidate for MBA, June 2017*

2015 – Present

- Finance Track; VP of Community Outreach, Veteran's Club; active member of the Finance Club.

#### THE CITADEL, THE MILITARY COLLEGE OF SOUTH CAROLINA

Charleston, SC

*BA in English; Minor in Spanish*

2001 – 2005

- Olmsted Cadet Scholar; 1 of 4 selected nationally. Attended Escuela Superior Militar in Quito, Ecuador.
- Division I Men's Soccer Team. Triathlon Club (Founder, President, and Captain).

### EXPERIENCE

#### THE BLACKSTONE GROUP

New York, NY

*Blackstone Alternative Asset Management (BAAM) – Risk Management Intern*

Summer 2015

- Analyzed hedge fund financial returns, conducted due diligence, and provided risk analysis on BAAM's investments.
- Assisted in developing software platform tool to improve analysis and monitoring of limit structures on individual funds.

#### GOLDMAN SACHS

New York, NY

*Investment Banking Division – Consumer Retail/Healthcare Group Intern*

Summer 2015

- Developed the gold card presentation, management presentation and conducted due diligence for a retail sell-side deal.
- Assisted with customer calls, writing of the S-1 and the sales memo; also researched and selected public company comparables to be used in the valuation for the Press Ganey IPO valued at \$223M.

#### 160<sup>th</sup> SPECIAL OPERATIONS AVIATION REGIMENT, US ARMY

Afghanistan / Fort Lewis, WA

*Special Forces Helicopter Pilot / Battalion Operations Officer – Captain (2014-2015)*

2010 – 2015

- Led a six-person team in the Philippines to plan and execute Special Forces helicopter support to Navy SEALs, Special Forces, and Philippine Special Forces resulting in an increased counter-terrorism capability in the Asia-Pacific region.
- Represented a 700-person Special Forces helicopter organization at planning conferences worldwide to plan three separate multinational exercises in the Philippines, South Korea and Australia, each with a budget in excess of \$5M.

*Special Forces Helicopter Pilot / Company Commander – Captain (2013-2014)*

- Commanded a 170-person multi-functional team that supported continuous combat operations in Afghanistan and 68 Special Forces training events in Guam, South Korea, Thailand, the UAE and the United States.
- Implemented training that resulted in a 300% increase in qualified machine gun teams and a 50% increase in convoy crew proficiency, directly leading to the unit receiving the *Ellis D. Parker Award* as the Army Aviation Unit of the Year.

*Special Forces Helicopter Pilot / Company Executive Officer – Captain (2010-2013)*

- Led a 60-person Special Forces helicopter team in Afghanistan; conducted nightly helicopter assaults against strategic terrorism networks resulting in the capture of high-level Taliban leaders; awarded a *Bronze Star Medal* for leadership.
- Planned and executed the relocation of a 55-person Special Forces helicopter task force to a new forward operating base, moved 337k pounds of equipment and three Special Forces helicopters in under 72 hours, 80% faster than normal.
- Rated #1 of 19 Captains by supervisor; selected above peers for increased responsibility as a company commander.

#### 101<sup>st</sup> AIRBORNE DIVISION, US ARMY

Afghanistan / Fort Campbell, KY / Fort Rucker, AL

*Attack Helicopter Pilot / Flight Platoon Leader - Captain*

2005 – 2010

- Led a 34-person team in combat, maintained five helicopters worth \$150M, commanded over 200 combat aviation operations during the 2009 Presidential surge and Afghan national elections, directly contributing to the unit receiving the *Ellis D Parker Award* as the Army Aviation Unit of the Year; individually recognized by the Commanding General.
- Reinvented the unit's annual aerial gunnery training by leading a 6-person team to create the first ever joint training with a Special Forces unit, resulting in a 10% increase in qualified crews.
- Rated #1 of 18 Captains by supervisor; awarded five *Air Medals* for valor and leadership in combat.

### ADDITIONAL INFORMATION

- Awarded the *Distinguished Flying Cross*, the nation's highest award for valor in flight for actions against enemy forces in Afghanistan; recognized for bravery and heroism in the 2011 *Heroes* edition of *Stars and Stripes*.
- Member of two non-profit organizations (Team RWB and The Night Stalker Association) awarded the *Military Outstanding Volunteer Service Medal* for over 500 hours of volunteer service to the local community.

# TYLER V. MARSHBURN

---

## SUMMARY

Trusted Navy SEAL Officer with 13+ years of proven performance in a variety of operational and leadership positions. Significant international experience in complex environments and a track record of effectively generating solutions for a diverse set of stakeholders. Selected among the top 1% of SEAL operators to serve in the Nation's premier units. Successfully planned and executed several strategic initiatives that integrated multiple government agencies, foreign partners, and unique technologies. Currently earning an MBA from MIT as part of the Sloan Fellows Class of 2021.

---

## PROFESSIONAL HIGHLIGHTS

### **Experienced Leader and Decision-Maker in Uncertain, High-Risk Environments**

- Led a Secretary of Defense approved mission to collect sensitive intelligence in support of a UN Security Council top priority; managed multiple US Navy vessels, aircraft, and 50+ personnel to achieve success
- Served as the Deputy Commander of a Regional Task Force, personally responsible for five unique sites, two maritime platforms, and 200+ personnel conducting counterterrorism operations on a daily basis
- Led a 6-man, 45-day collection effort on behalf of two 4-Star commands to inform strategic planning against an adversarial global competitor; directly responsible for mitigating operational risk and implementing strategic vision
- Supervised 65 SEAL and SWCC operators conducting sustained global deployments in customized teams and small US Embassy elements; managed a \$2.5M budget for training and operations
- Led 18 SEALs in various formations during several multi-day missions with various international partners throughout a 7-month rotation to Afghanistan; built a highly inclusive, performance-oriented combat unit

### **Innovative Solutions through Cross-Functional Leadership, Data Analysis and Technology Adaptations**

- Deployed twice as the Deputy Commander of a 40-member cross-functional element in support of a Special Operations Sensitive Activities program; generated 50+ intelligence reports for interagency customers
- Managed the 8-month development and implementation of a unique, multi-million dollar asset to pursue national intelligence in politically sensitive environments; continuously interfaced with senior defense and policy clients
- Led a diverse team of design and hardware experts to generate a prototype data collection platform for remote environments in support of a JSOC top priority; responsible for stakeholder development and operational launch

### **Recognized Interagency Professional and Collaboration Expert**

- Extensive experience with all DoD branches, the US Intelligence Community, and foreign liaisons; regularly tasked to advise and gain approval from American ambassadors and host-nation leadership
  - Oversaw a cooperative counterterrorism effort with the FBI to improve intelligence collection and sharing methods in Afghanistan; received a letter of appreciation from the FBI Director
  - Currently conducting a resource management and operations improvement laboratory with aerospace manufacturer and sub-orbital spaceflight services company, Blue Origin
  - Chosen to speak at the State Department regarding Naval Special Warfare support to US Country Teams abroad and selected to represent NSW at a 26-nation exchange on combating terrorism
- 

## CAREER HISTORY

### **US Navy SEAL Officer | 2007 – 2020**

**Troop Commander** | NAVAL SPECIAL WARFARE DEVELOPMENT GROUP | 2016 – 2020

**Program Director** | NAVAL SPECIAL WARFARE DEVELOPMENT GROUP | 2013 – 2016

**Troop Commander and Team Leader** | SPECIAL RECONNAISSANCE TEAM TWO | 2011 – 2013

**Assistant Platoon Commander** | SEAL TEAM FOUR | 2009 – 2011

**Training and Qualification** | NAVAL SPECIAL WARFACE CENTER | 2007 – 2009

---

## DATA POINTS

**MIT Sloan School of Management** | Master of Business Administration (Candidate)

**United States Merchant Marine Academy** | Bachelor of Science in Logistics and Intermodal Transportation

**U.S. Merchant Marine Officer** | USCG 3rd Mate (unlimited tonnage, any ocean)

**Top Secret Security Clearance** | Active TS/SCI clearance and CI polygraph

**Entrepreneur** | Co-Founder of The Loyal Contrarian T-shirt Company and Eagle Investments LLC

# KRIS PECK

## EDUCATION

---

### MIT SLOAN SCHOOL OF MANAGEMENT

Cambridge, MA

*Candidate for MBA, June 2020*

2018-Present

- Management Consulting Club member; Veterans Association President; Finance Track Student Advisory Board; Course Instructor – 15.309 Lessons Learned from the Military; Club Basketball Member; GMAT – 720

### UNIVERSITY OF VIRGINIA

Charlottesville, VA

*B.S. in Systems Engineering, graduated with Distinction*

2010-2014

- Graduated with Distinction, 3.4 GPA. Distinguished Military Graduate, ranked in top 5% of all ROTC cadets nationwide
- Started the RJ Hess Memorial Scholarship Endowment Fund in honor of 1LT Robert Hess, raising \$20K
- Awards: Lawn Room Selection, 54 of 4,000 seniors selected; UVA's 2014 Greek Man of the Year award

## EXPERIENCE

---

### DANAHER CORPORATION

Port Washington, NY

*Summer Associate, Pall Corporation - Digital Marketing*

Summer 2019

- Drove content development, customer research, requirement definition, and A/B testing for Pall's online marketplace to create a standard layout for 10K product pages. Expected revenue uplift of over \$5M in next three years
- Overhauled ecommerce product onboarding methodology, developing a 2020 roadmap for over 5000 priority items
- Evaluated a data set of 100K orders to discern performance patterns and identify data integrity issues and solutions

### US ARMY RESERVES, 75<sup>TH</sup> INNOVATION COMMAND

Boston, MA

*Program Manager, Northeast Region AI Initiative*

2019-Present

- Serve as US Army's lead for its Artificial Intelligence (AI) initiative in the US Northeast; liaison to MIT Lincoln Labs, MIT Innovation Initiative and Draper Labs. Active Security Clearance
- Assess the US Air Force's AI initiative to design and create an AI accelerator for the US Army by the end of 2020

### US ARMY, 7<sup>TH</sup> SPECIAL FORCES GROUP

Eglin Air Force Base, FL; Iraq; Kuwait; Syria

*Deputy Group Engineer (Eglin Air Force Base, FL)*

2017-2018

- Supervised training facility construction projects worth \$35M, supporting locations in the US and operational locations
- Led development and construction of \$1.1M language facility, providing 1500+ special forces operators training facility to maintain language proficiency
- Directed project with Air Force Civil Engineers and Special Operations Command SOUTH HQ to construct combat training facilities in Central and South America, training over 1000+ partner nation forces in counter narcotic operations

*Equipping Manager, Counter-ISIS Task Force (Iraq, Kuwait, Syria)*

2017

- Managed identification, approval and award of \$346M worth of requirements for the Counter-ISIS Training and Equipping Fund (CTEF) within Syria to all US and partner nations' Special Operation Forces
- Developed \$500M FY18 budget for the Syrian CTEF appropriation of the National Defense Authorization Act (NDAA), received Joint Service Commendation Medal
- Identified and resourced urgent need for Syrian Partner Forces; negotiated with CENTCOM for an additional \$90M in critical combat equipment from Iraqi CTEF to Syrian CTEF, accelerating liberation of Northern Syria by six months

### US ARMY, 82<sup>ND</sup> AIRBORNE DIVISION

Fort Bragg, NC

*Engineer Reconnaissance Platoon Leader*

2015-2017

- Commanded sole engineering reconnaissance Platoon for nation's Global Response Force. Executed three deployment exercises and maintained 100% readiness to deploy 32-soldiers and \$14M of equipment globally within 18 hrs
- Wrote and published "The Engineer Reconnaissance Platoon within the Airborne Brigade Engineer Battalion," winning The Engineer Bulletin's Silver Quill Award for most impactful engineer article of 2017
- Developed and launched Engineer Academy, incorporating first demolitions training event in 12 years for the 5-73 Cavalry Squadron; awarded Army Achievement Medal
- Graduated the Engineer Basic Officer Leadership Course, Ranger School, Sapper Leader Course and Airborne School

## ADDITIONAL INFORMATION

---

- Service to School: Undergraduate Operations Lead for helping service members transition to college (Sep 2016-present)
- Hobbies: pickup basketball, bogey golfer, marathon runner, pizza enthusiast. Miscellaneous: lightning strike survivor

---

**EDUCATION:**

**JOHNS HOPKINS SCHOOL OF ADVANCED INTERNATIONAL STUDIES**

Washington, D.C.

*Master of International Public Policy*

2020 - Present

- Finalist for prestigious White House Fellowship; identified as one of top 100 candidates out of 10,000+ applicants

**MIT SLOAN SCHOOL OF MANAGEMENT**

Cambridge, MA

*Master of Business Administration*

2020 - 2021

- Awarded Dean's Fellowship, a merit-based scholarship awarded to 5% of EMBA students; Elected as Sloan Senator
- Enterprise Management Track; consulted for Google Map's exploration of geolocation APIs into financial services
- Policy Advisor for MIT DC Office; authored plan between USG & MIT to disrupt growing intellectual property theft

**UNITED STATES AIR FORCE ACADEMY**

Colorado Springs, CO

*B.S. in Business Management*

2005-2009

- NCAA Division I Athlete, Director of Operations for 1100 cadets, and Graduate of USMC Officer Candidate School

---

**EXPERIENCE:**

**U.S. DEVELOPMENT FINANCE CORPORATION** Washington D.C.

2021 - Present

*Senior Advisor, Office of Strategic Initiatives, SkillBridge Program*

- Crafting global NPV analysis of artificial Thai Canal; captured negative implications for Singapore's economy
- Facilitated interagency partnerships between primary stakeholders (senior executive level) throughout American international investment verticals to quantitatively capture national level supply chain disruption

**US INTELLIGENCE COMMUNITY** Global Locations

2018 - 2021

*Director, Special Activities, US Air Force Major*

*Primary Advisor to Senior DoD executives on clandestine operations, activities, and investments. Selected as only Air Force member to serve 3-year interagency assignment within a US Intelligence Community organization to increase collaboration between Intelligence and Defense departments; rated #1 of 26 Majors*

- Produced intelligence reports to inform highest levels of US Government, including the President, and delivered an innovative framework to gain advantage over a regional adversary; later implemented by National Security Council
- Influenced elected leaders to disrupt revenue streams of foreign adversary; captured \$80M in destabilizing funds
- Led 4300 allied forces in 100+ combat operations while managing \$36M budget; drove Taliban to negotiating table
- Exported organizational design methods, target finding systems, and other advanced intelligence capabilities to strategic allies resulting in disruption and dismantling of Al Qaeda and ISIS facilitation networks and operations
- Created quantitative approach to illuminate predatory actions by foreign adversary in strategically important region causing the assembly of a temporary multi-national coalition to prevent further adversarial expansion

**US AIR FORCE SPECIAL OPERATIONS COMMAND** Afghanistan; North Africa, Pacific Theatre

2009 – 2018

*Director, Strategic Plans, US Air Force Captain (2017 – 2018)*

*Led team of 7 w/ \$1M budget to design operational plans for global Special Operations Forces; rated #1 of 66 Captains*

- Leveraged methodologies from MIT Sloan's Dynamic Work Design to optimize the Strategic Plans Division and increase analytical product output for fielded commanders countering extremism across the globe
- Commanded 115-man task force during high priority mission within strategic \$1B joint service exercise, a first in Air Force Special Operations history; mission's success validated new Air Force Special Operations career field

*Special Tactics Troop Commander, US Air Force Lieutenant/Captain (2011-2016)*

*Led 35-person Special Tactics Troop and managed \$9M annual budget for operations; rated #1 of 12 of Captains*

- Oversaw teams of elite special operations personnel that train counterterrorism forces throughout Asia; consulted 12+ foreign militaries on air to ground integration resulting in improved interoperability between US and allies
- Led Special Operations air campaign along Kurdish/ISIS border resulting in the liberation of 3 Iraqi provinces
- Authored "Opening the Door," a research proposal with turn-key recommendations on how to deter Chinese aggression in the South China Sea; adopted as a 'next generation concept' by the Center for New American Security

*Special Tactics Officer Candidate, US Air Force Lieutenant (2009-2011)*

- Earned distinguished graduate of Special Tactics Course (#1 of 20) and USAF Squadron Officer School (#5 of 650)

---

**ADDITIONAL:**

- Proud husband and father, avid reader, amateur triathlete, competitive sailor, and unlucky fisherman
- Recipient of multiple military awards and decorations for exceptional leadership and impact in active war zones
