Challenge convention. Challenge yourself.

The MIT Executive MBA is a rigorous, 20-month educational experience designed for mid-career executives poised at pivotal junctures in their careers. Through advanced management practices and applied learning projects, you will emerge with a broader perspective and the tools to magnify your impact.

THE MIT EMBA AT A GLANCE

The MIT EMBA schedule is designed to maximize your learning, while increasing the impact on your organization and expanding your network.

20 Months
Mid-career MBA

26 Weekends
Classes on campus every two to three weeks on Fridays and Saturdays

4 One-Week Modules
One-week on-campus modules every six months

1 International Trip
One-week project trip abroad

What distinguishes the MIT Executive MBA?

• An elite mid-career cohort within a global brand at MIT Sloan
• A schedule designed to complement your professional and personal priorities
• A scientific approach to management integrated into the core curriculum
• Applied learning through in-company projects

REIMAGINE YOUR FUTURE

The Career Development Office is your partner in designing a personalized career plan. We support all executive transitions, whether your goal is to advance within your current company, shift to a new industry, or start your own business.

Our coaching model helps you differentiate yourself and advance your career with confidence. Networking opportunities, alumni connections, industry events, workshops, and leading research resources prepare you to take the next step.

Customized Career Coaching

The EMBA experience offers dedicated executive career coaches to help you define your career strategy and develop an action plan for success.

KRISTIN RILEY, EMBA '20

"When I started my career transition, my coach helped me focus on my values and what I wanted out of this transition, not just on my skills and experience. This was an important shift that put power back in my hands."

Engage with the CDO for 1:1 coaching throughout your program and career.
