

MIT Sloan Master of Business Administration

MBA

Invent the future. Start with yours.

Through intellectual rigor and experiential learning, the full-time, two-year MIT Sloan MBA program develops leaders who make a difference in the world.

START WITH THE CORE, THEN FOLLOW YOUR OWN PATH

Our curriculum is as individual as you are. It's flexible and customizable, letting you target your specific aspirations. You'll be challenged and inspired, working collaboratively with students, faculty, and global organizations.

1 Semester Core

With 6 core courses, an elective, and the opportunity to start a Certificate

3 Semesters of Elective Courses

215 MIT Sloan electives and hundreds of MIT courses, plus the opportunity to cross-register

1 Spring Sloan Intensive Period

12+ activities that extend from 3 days to 2 weeks to encourage the practice of leadership, collaboration, and innovation.

7 Certificates

Business Analytics, Product Management, Entrepreneurship & Innovation, Enterprise Management, Finance, Healthcare, Sustainability

15+ Action Learning Labs

Take the idea of learning-by-doing to a whole new level

3 Dual Degrees

Dual degree with MIT School of Engineering (Leaders for Global Operations), dual degree with MIT Department of Urban Studies and Planning, and dual degree with Harvard Kennedy School

EXPLORE YOUR

OPPORTUNITIES

You are driven by opportunity for growth and impact. MIT Sloan's culture of exploration and collaboration will reveal an exciting new world of opportunities, whether your goal is to join an industry-leading firm, high-growth company, new venture, or social impact organization.

The Career Development Office is your partner in the next step of your career journey, offering educational experiences, customized resources, and industry connections to help you succeed in the MBA job market.
